MASTER OF CEREMONIES

Twan Russell

MIAMI DOLPHINS
SR. DIRECTOR OF COMMUNITY AFFAIRS

Born and raised in Fort Lauderdale, a student of Broward County Public Schools, Mr. Russell currently serves as Sr. Director of Current Affairs for the Miami Dolphins.

Mr. Russell is a graduate of the University of Miami with a Bachelor's Degree in criminology and broadcasting communications, along with a minor in English. While in college, Russell also realized the importance of giving back to the community, most importantly his community. During these years, he vowed to personally make a difference.

Before joining the Miami Dolphins organization, Mr. Russell excelled in sports as a professional athlete, playing in the NFL. During his NFL career, Russell played the linebacker position for the Washington Redskins, the Miami Dolphins and the Atlanta Falcons. Due to an injury, he decided to retire from professional football in November 2004.

Mr. Russell and his mother, Corliss Ann Russell, a retired 30+ year teacher of Lauderhill Middle School, began The Russell Life Skills and Reading Foundation, Inc. The Foundation is a 501(c) (3) nonprofit organization that was formed to "tackle" the high illiteracy rate of inner city youth and the lack of educational resources available to them. Its mission is, "Opening Books to Open Doors," with the overall goal of eradicating illiteracy among inner city youth and empowering, inspiring and encouraging at-risk youth to become successful citizens.

Through his Foundation's multi-faceted after-school program, Russell continues to demonstrate to children that statistics are just what they are – numbers and figures on a piece of paper. The only way to achieve anything is through literacy. For Twan, it is truly a testament that opening books does open doors.

KEY NOTE SPEAKER

Robert W. Runcie

SUPERINTENDENT OF SCHOOLS
BROWARD COUNTY PUBLIC SCHOOLS

“The battle for quality education is the social justice cause of our time. If you believe that every child has the right to a quality education, then there is no more important work than providing the right leadership to dramatically transform public education in this country. I have found my passion and purpose in life – to improve the human condition by giving every child an equal chance to excel and achieve happiness. It all starts at the top with one of the most challenging and important jobs in America – the urban school superintendent.”
Robert W. Runcie

As superintendent of the sixth largest school district in the nation and second largest in Florida, with nearly 270,000 students in 238 schools, centers and technical colleges, and more than 30,000 employees – Broward County Public Schools Superintendent Robert W. Runcie is committed to **Educating Today’s Students to Succeed in Tomorrow’s World.**

Superintendent Runcie knows first-hand how a high-quality education can transform a person’s life. Born in Jamaica, he moved to the United States as a young boy and became the first member of his family to attend college, graduating from Harvard University and earning an MBA from Northwestern University.

His commitment to collaborating with stakeholders and creating partnerships has earned Superintendent Runcie state and national recognition. Runcie credits the District’s success to the support of the School Board and a talented leadership team that shares his philosophy that:

“The true price of leadership is the willingness to place the needs of others above your own.”

Connecting Our Community
