Nourishing communities.

It is the mission of the Broward Education Foundation to energize and engage the extended community to transform the lives of Broward County Public School students through the support of quality education.

Through our community involvement and fund raising, the Foundation provides support for:

- Innovative teaching to increase student learning outcomes from pre-K to grade 12;
- Educational materials for Title 1 school students;
- Scholarships for qualified graduating high school seniors;
- Fiduciary oversight for community members who join in our educational mission by establishing Foundation agency funds.

KEY NOTE SPEAKER

Robert W. Runcie

SUPERINTENDENT OF SCHOOLS
BROWARD COUNTY PUBLIC SCHOOLS

FLORIDA'S 2016 SUPERINTENDENT OF THE YEAR

"The battle for quality education is the social justice cause of our time. If you believe that every child has the right to a quality education, then there is no more important work than providing the right leadership to dramatically transform public education in this country. I have found my passion and purpose in life – to improve the human condition by giving every child an equal chance to excel and achieve happiness. It all starts at the top with one of the most challenging and important jobs in America – the urban school superintendent." Robert W. Runcie

As superintendent of the sixth largest school district in the nation and second largest in Florida, with nearly 270,000 students in 238 schools, centers and technical colleges, and more than 30,000 employees – Broward County Public Schools Superintendent Robert W. Runcie is committed to **Educating Today's Students to Succeed in Tomorrow's World.**

Superintendent Runcie knows first-hand how a high-quality education can transform a person's life. Born in Jamaica, he moved to the United States as a young boy and became the first member of his family to attend college, graduating from Harvard University and earning an MBA from Northwestern University.

His commitment to collaborating with stakeholders and creating partnerships has earned Superintendent Runcie state and national recognition. Runcie credits the District's success to the support of the School Board and a talented leadership team that shares his philosophy that:

"The true price of leadership is the willingness to place the needs of others above your own."

Congratulations

Before you know it, the youth of today will become the leaders of our communities. Investing in them now will pay dividends in curious minds, a confident outlook, and fulfilled potential.

Bank of America is proud to support the Broward Education Foundation and recognizes all of the 2016 Hall of Fame Inductees for showing our young people that hard work, teamwork, and reaching for excellence can lead to a bright tomorrow.

EDUCATION ACHIEVEMENT AWARD

OLAYEMI AWOFADEJU

A proud graduate of Plantation High School Class of 1995, Olayemi Awofadeju is principal of South Broward High School. A 15-year public education veteran, she is widely known for her passion and commitment to all students, regardless of their ethnic or socioeconomic status. It has always been her desire to serve as an educator. She believes that being a school leader is a great responsibility, but also a privilege, as it is one of the most important jobs in America today.

The ability to influence youth and inspire them to work to achieve their dreams, no matter their circumstance is a personal matter for Olayemi because it was her teachers who inspired her to hold herself to high expectations and push herself when she faced adversity in her childhood. It was her aunt and high school guidance counselor both alumni of Florida A&M University, who encouraged her to begin her post-secondary schooling there. She earned both her undergraduate and graduate degrees at Florida A&M and then went on to earn additional certifications at Florida State University. Olayemi says, “As educators, we cast our nets to reach all that we can, and it is my intention to cast the widest net possible, to intentionally and positively impact each student each day.”

Although Olayemi started at very humble beginnings, her mother emphasized that education was the only way to secure a good future as it offers more opportunities.

As a mother herself she is reminded daily that “only a solid educational foundation will ensure that any child will be able to take advantage of all opportunities given to them in this great nation.”

As principal of South Broward High School, she has successfully implemented initiatives that have enhanced faculty morale and student achievement, including enrollment and graduation rates which increased higher than they’ve been in a decade.

At the end of her professional career, Olayemi would like to be remembered as the person who helped to prepare students in achieving their dreams by providing challenging opportunities that require them to work consistently with a global mindset, while encouraging and inspiring others to do the same.

EDUCATION ACHIEVEMENT AWARD

RODERICK "ROCKY" GILLIS

Roderick "Rocky" Gillis was a football star as a student at Pompano Beach High School. Upon graduating with honors in 1978, he attended Iowa State University on a football scholarship. Rocky earned a degree in small business management and was also a member of Army ROTC. He was commissioned as a Second Lieutenant as part of the early commissioning program in the summer of 1983 while attending ROTC Advanced Camp at the Fort Lewis military base in Tacoma, Washington. He graduated from Armor Officer School at Fort Knox, Kentucky where he was trained as a tank commander. He received an Honorable Discharge from the U.S. Army in 1988.

For the last 14 years he has been the County Athletic Director for Broward County Public Schools. One of five children in the Gillis family, the native Floridian was educated in the Broward County School System, attending Sanders Park Elementary, Pompano Beach Elementary, Pompano Beach Middle and Pompano Beach High School.

Rocky was very involved in the City of Pompano Beach Parks and Recreation programs during his adolescence and young adult life participating in City of Pompano Beach football, basketball and baseball recreation programs as well as several other leagues provided by local organizations. He served as a coach for several of the City of Pompano Beach Parks and Recreation programs during high school.

When he returned home from college, he worked for Nabisco and continued to be a youth sports coach. It was there that he found his calling to work with young people and prepare them for their futures in this ever-changing society. So he switched careers and became a teacher. He started as a substitute teacher in January 1990 and began teaching mathematics full-time at Blanche Ely High School in spring of 1991 and at Pompano Beach High School from 1998 to 2003 before leaving to become County Athletic Director.

Rocky attends and is member of Bethel A.M.E. He currently serves on the Steward and Media Ministries for his church.

COMMUNITY ACHIEVEMENT AWARD

NANCY R. BOTERO

Nancy R. Botero, Broward College's Vice President for Advancement and Executive Director of the Broward College Foundation, leads a team of development officers and support professionals, who work with a volunteer board of directors comprised of business and community leaders. They are united by the belief that every person who is determined to change his or her life through the pursuit of higher education should be afforded at that opportunity. Nancy's responsibilities include advocating for, elevating awareness of and raising private financial support for the college's academic programs, learning facility enhancements and scholarships. She considers serving as a mentor to students to be one of the position's fringe benefits.

Nancy has presented at several national professional development conferences, including workshops for the Council for the Advancement and Support of Education. On the state level, she is on the Board of Directors for the Florida College System Foundation and has served as president of the Florida Council for Resource Development and on a special task force responsible for developing a curriculum and method of delivery to Florida's executive directors and foundation board members. Locally, she has been involved with the Community Foundation of Broward, the Fort Lauderdale Chamber of Commerce, the Tower Club, the Broward Arts Council, Downtown Fort Lauderdale Rotary, Leadership Broward, and Take Stock in Children. She is a graduate of the Leadership Broward V class and the Leadership Florida Class XXIX.

When not serving her community, Nancy enjoys golf, photography, hiking, fishing, boating, skiing, stand-up paddle boarding and scuba diving.

Ulrich "Ric" Green could be nicknamed Mr. Pompano Beach. He is president/CEO of the Greater Pompano Beach Chamber of Commerce and member of the Pompano Beach High School Class of 1972. Ric also is president of Green Sports Management, a successful marketing and event management company that he created nearly two decades ago.

Prior to joining the Chamber he was the Editor of the Deerfield Beach Observer newspaper. He also spent four years co-hosting a live hour long television show "Sports Talk" on COMCAST Cable Community TV. He has also written for the Miami Herald covering high school sports and New Times, where he penned Auto Buzz, an automotive review column. Ric still writes auto reviews and the column appears in various newspapers and websites as the South Florida Automotive Insider. Ric is passionate about being a public address announcer at numerous automotive events which is what he calls his "hobby job."

He is the Treasurer of the Deerfield Beach Boys and Girls Club. He also sits on the Pompano Beach Economic Development Council and is a member of the Board of Directors of Broward County School's Partners in Education. He was a member of the Mayor's Stimulus Task Force, is on the Pompano Beach Tourism Committee Board and recently stepped down as vice president of the Broward County Fair, an organization he work with for 17 years.

Ric has been connected with numerous South Florida events including Pompano Beach Seafood Festival, Deerfield Beach Founder's Days, Beach Blowout/Firefighter Combat Challenge, Fort Myer's Boat Show, Deerfield Beach Mango Festival, South Florida Pet Expo, Dunn's Run, WestFair, Whitbread Race America and Winterfest.

COMMUNITY ACHIEVEMENT AWARD

GEORGE LEMIEUX

George LeMieux, a graduate of the Coral Springs High School Class of 1987, serves as the chairman of the board of Gunster law firm. He focuses his practice on resolving business, and governmental disputes, and advising CEOs and C-suite executives on business, law and government from a local, state and national perspective.

He advocates for clients before state and federal trial and appellate courts, as well as governmental agencies and regulatory bodies. He defends clients in enforcement matters brought by state attorneys general, advocates for clients in administrative law proceedings including bid protests, and counsels governmental bodies on public records and public meeting requirements. Because of his breadth of legal experience, his practice includes professional liability defense. He has successfully litigated intellectual property and business disputes to verdict. George also has experience leading internal investigations for corporate clients at the direction of management and boards of directors.

George served as Florida's 34th United States Senator in the 111th Congress. In the United States Senate, he served on the Commerce, Science and Transportation Committee, the Armed Services Committee, and the Special Committee on Aging. He successfully passed legislation on health care fraud, export promotion, rating agency reform, small business promotion, as well as a treaty resolution on tactical nuclear weapons.

George served as Florida's deputy attorney general overseeing more than 400 attorneys and appearing before appellate courts on behalf of the state of Florida, including the United States Supreme Court. George also served as the governor's chief of staff overseeing all state agencies and operations. In that role, he negotiated a gaming compact with the Seminole Tribe of Florida. He is the founder of the LeMieux Center for Public Policy at Palm Beach Atlantic University.

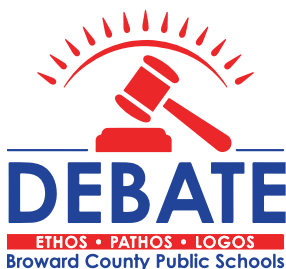

The Broward County Public Schools Debate Initiative thanks **Senator LeMieux** for his tireless dedication to and support of our students, coaches, and schools.

The growth and success of our program is largely due to his vision, passion, and of course, debate skills. We look forward to many more years of working together!

“There is no limit to the amount of good you can do if you don't care who gets the credit.”

Ronald Reagan

Telling Your Story

Universal K through 12 education is one of the foundations of our unique American experiment in freedom and justice. It is difficult to treat all as equals when some are denied a good education.

The Broward Education Foundation supports all the children in our system by helping teachers and students with supplies, tuition, and funds for experimentation.

The inductees being honored today are the visible successes of our educational system. All of them support the Broward Education Foundation as we all should.

OUR MISSION

By developing, promoting, and funding emerging initiatives that benefit the community, the Foundation serves as a direct support organization of Broward County Public Schools, offering scholarships, teacher grants, classroom supplies, and district wide recognition that provide opportunities for individuals to develop their potential skills. The Foundation serves as a catalyst for educational excellence.

OUR VISION

Every student who attends a Broward County Public School will receive an excellent education, reach his/her full potential and become a positive contributor to the community.
