Dear Friends,

We are very proud to welcome you- Broward Education Foundation partners, educators, friends, and supporters - to the Publix Super Markets Charities 2019 Hall of Fame Breakfast presented by Memorial Healthcare System. The distinguished alumni of Broward County Public Schools we are honoring here this morning reflect the very best outcomes our schools produce. Each of the honorees has left an indelible mark on our community and are true role models for the next generation of leaders.

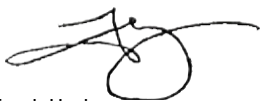

We are so pleased to have the support of wonderful sponsors- Publix Super Markets Charities, Memorial Healthcare Systems, BrightStar Credit Union, JM Family Enterprises, Inc., Bank of America, Office Depot, Broward Health, Broward Teachers Union, Wells Fargo, Pirtle Construction and many more. As the only 501(c)3 direct support organization of Broward County Public Schools, Broward Education Foundation has taken great pride in working with you to ensure that our community's children benefit from every wonderful opportunity we can bring to them – all with the singular purpose of increasing student success.

We're grateful you have entrusted Broward Education Foundation to help students of Broward County Public Schools develop, flourish and succeed. This community wide collaboration engendered through Broward Education Foundation funds cutting edge curriculum development by dedicated educators provides school supplies for students and classrooms in Title I schools, and grants scholarships to graduating seniors who face financial challenges continuing their post-secondary education. With your generosity, Broward Education Foundation helps fund hugely successful programs and initiatives like STEM, debate, chess and the arts that enhance critical thinking skills vital for developing college and career-ready adults.

Broward Education Foundation has proven to be adept, agile and responsive to changing needs in education in our community.

Let's celebrate these leaders today and continue working together to make our community great!

Warm Regards-

Frank Horkey

YOUTH IMPACT ACHIEVEMENT AWARD

*Henri W. Crockett
and Zack Crockett*

Upon graduation from Blanche Ely High School, brothers Zack Crockett '90 and Henri W. Crockett '92, went on to illustrious football careers at Florida State University then in the NFL. In fact, Zack is currently also a southeast area scout for the Oakland Raiders.

Today as founders of the non-profit Crockett Foundation, Inc., where Henri is president and Zack is vice president, this dynamic duo serves youth through educational programs with the mission to help build character, develop leaders and improve the community, one child at a time.

Together the brothers have created the annual Crockett Foundation Community Health Festival to bring families together as they prepare for the back-to-school season. The goal of the festival is to educate families on the importance of maintaining good health and to promote positive lifestyle choices.

Broward County School System staff helped motivate and inspire Zack to be who he is today. He was impacted by the daily motivation he received from teachers, administration and custodians who acknowledged his efforts to succeed and cared enough to pull him aside to offer words of wisdom if they noticed he was off track.

Henri credits the success of the person he is today to his high school principal James L. Jones who taught him the importance of accountability, sacrifice and character. Mr. Jones told him, "Son hold your head up and listen. Life is not fair and you're not always going to get the credit that you think you deserve. But if you're willing to get up and dust yourself off and attack the next day or your next opportunity harder than you did before, I can promise you will accomplish more things than your wildest dreams." Those are words he has passed on to his children.

Henri and Zack both earned their Bachelor of Science in Criminology degrees from FSU and are active members of the Omega Psi Phi Fraternity.

COMMUNITY ACHIEVEMENT AWARD

Douglas Harrison

A 1987 graduate of Cooper City High School, Douglas Harrison, Esq. is the Senior Assistant City Attorney for the City of Miami in the General Litigation Division handling litigation in state and federal courts in the areas of government, commercial, civil rights and negligence.

Prior to joining the Office of the City Attorney in March 2015, Douglas served as Senior Litigation Counsel for the City of Hollywood where he represented the city in state and federal court at all stages of litigation including discovery, mediation, arbitration, discovery, motion practice and jury trial as well as representation of the city in administrative, labor and employment disputes.

Previously Douglas was in private practice handling both civil and criminal cases in state and federal courts. He also served as an Assistant State Attorney for the Miami-Dade County State Attorney's Office as a member of the Career Criminal/Robbery Unit and the Environmental Crimes Unit.

Harrison is the Chairman of the South Broward Hospital District Board of Commissioners, of which there are seven members who are appointed by the Governor of Florida. The South Broward Hospital District Board of Commissioners oversees all actions of Memorial Healthcare System. He is a member of several professional organizations including the Florida Bar, Broward County Bar Association, Miramar Pembroke Pines Regional Chamber of Commerce and the School Board of Broward County's Diversity Committee. Doug was a member of Leadership Broward Class XXXV, is a former adjunct professor in the Department of Social Sciences at Broward College and is past president of the South Broward Bar Association.

A proud Gator, Doug earned a Bachelor of Arts degree in political science with a minor in communications from the University of Florida. He continued at UF, and earned his Juris Doctor from its Fredric G. Levin College of Law. During his time in law school, he served as policy director editor of the university's Journal of Law and Public Policy.

Cooper City High School Faculty and Staff

COMMUNITY ACHIEVEMENT AWARD

Juliette Lippman

Juliette E. Lippman, Esq., partner with Birnbaum, Lippman & Gregoire, practicing exclusively in marital, family and appellate law, is a member of the Coconut Creek High School class of 1986.

Juliette attributes her success to her Broward County Public Schools education. At Coconut Creek Elementary, her principal made sure to develop a relationship with every student and today she lives by and echoes his advice to always “do more.” At Margate Middle School her English teacher’s unwavering focus on her creative writing resulted in Juliette having the confidence to tell a great story, a pivotal part of being a successful trial lawyer.

Making a difference in the community as an attorney and community activist, Juliette has litigated class action suits on behalf of people with developmental disabilities, which resulted in the closure of all four state operated institutions. Working with Nova Southeastern University students, her lawsuits resulted in the creation of small homes in the community, a humane alternative, bringing the Medicaid Home and Community- Based Waiver program to Broward County.

A Fellow of the prestigious Florida Bar Foundation since 2010, Juliette currently serves as president where she has also been a member of the executive committee since 2015. A 20 year volunteer with the Children’s Diagnostic and Treatment Center, she currently serves as its board chairwoman. Additionally, she has served on the boards of Broward Legal Aid’s For the Public Good, Unicorn Children’s Foundation, the Center for Independent Living of Broward and PEER Center.

Throughout her legal career, Juliette has received many accolades including receiving the AV Preeminent rating by Martindale-Hubbell, a testament to the fact that her peers rank her at the highest level of professional excellence. She is a Top Fifty Women Lawyer, Top One Hundred Lawyer and is a Florida Super Lawyer.

A graduate of George Washington University, Juliette received her juris doctor from Nova Southeastern University School of Law.

*Representative
Patricia H. Williams*

A graduate of Blanche Ely High School Class of 1983, Patricia Williams was elected to the Florida House of Representatives in 2016 and re-elected as State Representative for the Florida House District 92. She was recently appointed by the Florida House of Representatives Speaker to serve as designee on the Children and Youth Cabinet.

Born and raised in Pompano Beach, Patricia is the voice for nearly 156,000 constituents who live in parts of Deerfield Beach, Fort Lauderdale, Lauderdale Lakes, Margate, North Lauderdale, Oakland Park, Pompano Beach and Tamarac. She also is founder of the non-profit Females On A Mission, a positive mentoring program for teenage girls.

From 2008 to 2016, Patricia served on the Lauderdale Lakes City Commission and in 2011 was Vice Mayor. During those eight years she effected change, leading the effort to host the city's first ever Black History Parade and sponsoring a resolution to start a Youth Council Program.

One of Patricia's fondest high school memories was her membership in DECA (Distributive Education Clubs of America) because it gave her the opportunity to earn money while learning a skill. She firmly believes in the importance of investing in students today for tomorrow's benefit.

Active in the community, Patricia currently serves as a member of Broward League of Cities Leadership Development Committee and Neighborhood Stabilization and Housing Subcommittee. She has served as chair of the Lauderdale Lakes School Advisory Board, as a Lauderdale Lakes Planning and Zoning Board commissioner, as chair for the American Cancer Society's Relay for Life, as assistant secretary and treasurer for Florida Black Caucus of Local Elected Officials, Inc. (FBC-LEO.) Williams has also served two consecutive terms as chair of the Lauderdale Lakes CRA.

Patricia earned a Bachelor of Science and Master of Arts in Business Administration and a Master of Arts in Human Resources Development Management from University of Phoenix.

EDUCATION ACHIEVEMENT AWARD

Ralph A. Aiello, III

As Director of School Counseling & BRACE Advisement for Broward County Public Schools, Ralph A. Aiello III has supported, founded or advocated for countless initiatives to improve local students' academic, social, emotional and college/career success.

When Ralph was a senior at Western High School, where he graduated in 1995, two events altered Ralph's college path. His younger brother required emergency brain surgery, and two months later, Ralph suffered a major car accident resulting in significant injury, ending his dream of playing college athletics. He's thankful that Broward County Public Schools employs a BRACE Advisor at each high school dedicated to supporting students to access postsecondary options. His BRACE Advisor assured him that he was a student-athlete, student first and athlete second. When his future suddenly felt uncertain, his advisor helped him register for the SAT and ACT, apply for scholarships and gain acceptance into multiple universities.

Now Ralph is serving and inspiring students as his BRACE Advisor once did. He directs more than 500 school-based counselors and college advisors at more than 330 public, charter, alternative and adult schools, serving more than 270,000 students in grades K-adult. He founded, championed and led the implementation of Broward's local college access network, Bridge to Life (B2L), including more than 25 actively engaged community organizations, businesses, colleges and government organizations.

Aiello's professional involvement includes memberships in the American School Counselor Association (ASCA), Florida School Counselor Association (FSCA), Broward School Counselor Association (BSCA), National College Access Network (NCAN), Florida College Access Network (FCAN) and Naviance National Advisory Board.

Ralph has received the 2019 FCAN College Ready Innovator Award and 2018 FCAN Unsung Hero Award and was named the 2017 BSCA Administrator of the Year, 2017 FSCA Administrator/Advocate of the Year and 2017 FAFSA Challenge Recipient.

Ralph earned a certification in education leadership, a Bachelor of Science in Psychology and Master of Education in School Counseling and Guidance from the University of Florida.

EDUCATION ACHIEVEMENT AWARD

Randall Deich

As a 25-year veteran of Broward County Public Schools, Randall Deich is a computer science teacher and STEM coordinator at Lauderhill 6-12 STEM-MED and member of the Nova High School Class of 1986.

As a nationally recognized program coordinator and educator with experience developing talent through learning opportunities for students in a K-12 environment, Randall firmly believes in finding bliss through diversity and in turning that passion into a driving force of lifelong learning. This is his mission statement as an educator and a habit of mind he instills in all of his students.

Randall has a proven track record of bringing together schools, industry partners and community organizations that prepare high-need students for the current workforce. To address the minority gap in STEM careers, he partnered with a local software architect and together they designed and provided an authentic learning experience that empowered students with an in-depth knowledge of computer science. This partnership led to the formation of ReGenerate Tech, a not-for-profit organization.

Through this endeavor, Randall and his industry partners recruited volunteers who taught students and provided valuable feedback on their computer science solutions. This after-school program allowed students to hone their workforce skills leading them to real-world work experiences including student-led workshop facilitation, conference presentations, employment opportunities, paid internships and national recognition in computer science.

An active member of the International Society for Technology in Education, Randall has proudly shared his work at the National Staff Development Council Conference, Florida Educator Technology Conference, Association for Supervision and Curriculum Development's Conference, Florida Association for Staff Development and the International Society for Technology in Education.

Randall earned a bachelor's degree in elementary education from Florida International University and a Master of Education from Grand Canyon University.

EDUCATION ACHIEVEMENT AWARD

Michelle Kefford

Marjory Stoneman Douglas High School's new principal and the State of Florida's 2019 Principal of the Year Michelle Kefford attributes her love of inquiry to the incredible teachers she had as a teenager at her beloved alma mater.

A graduate of South Plantation High School in 1992, Michelle was previously principal of Charles W. Flanagan High School for eight years. Under her leadership, the school earned its first ever grade of "A" based on Florida's Accountability System and was recognized by then Governor Rick Scott for ranking in the top 10 percent of all high schools in Florida for improved reading performance and overall graduation rates. The school also was recognized for ranking in the top 20 percent for improved math performance.

As an advocate of the LGBTQ community, Michelle worked diligently to develop the current policies regarding the rights of transgender students in Broward County Public Schools and assisted other school districts with the development of their policies to ensure equity for transgender students.

One of the many highlights of Michelle's career was the launch of Kefford's Kids, a peer mentoring program designed to improve both the morale and academic achievement of students. The program was so successful that it is highlighted in a book published by Harvard Education Press.

Kefford's accolades include being named 2018 Broward County Principal of the Year, 2017-2018 Broward School Counselor Association (BSCA) Administrator/Advocate of the Year, 2018 Florida School Counselor Association School-Based Administrator of the Year and 2015-2016 Florida Association of Student Councils Principal of the Year. She also was recognized as a 2019 Patriotic Employer by the U.S. Secretary of Defense, and was a recipient of the 2018 NABSE (National Alliance of Black School Educators) Ruby Award

Michelle earned a Bachelor of Science in Biology from FSU, a Master of Education in Science Education from FIU and a Master of Education in Educational Leadership from FAU.

BROWARD EDUCATION FOUNDATION is...

...CELEBRATING 35 YEARS OF SERVICE

For 35 years, Broward Education Foundation has been the only 501(c)3 fundraising and direct support organization dedicated to the success of all students and teachers in the nation's sixth largest school district- Broward County Public Schools. Broward Education Foundation is proven adept, agile and responsive to shifting needs in education and our community.

...FOSTERING INNOVATIVE TEACHING

Some of the best teaching methods come from the county's best assets, Broward County Public School teachers. Broward Education Foundation fosters innovative teaching in the district with a multi-faceted K-12 "best practices" model. Innovative Teacher grants recognize and reward educators for developing new and modifying existing programs to enhance student curriculum and increase positive outcomes. Broward Education Foundation awards grant funds to educators solely for use in the classroom and for the benefit of students.

...EQUIPPING STUDENTS FOR SUCCESS

Choosing between purchasing school supplies for their children and putting food on the table is an unfortunate reality for many parents. Broward Education Foundation helps alleviate that burden and assures Title I school teachers, or those with high percentages of children from low-income families, are able to equip these students to succeed. Through the generosity displayed in Broward's largest back-to-school supply drive; and by corporations, foundation partnerships, grants, and individual donors, Broward Education Foundation provides school supplies for our county's most vulnerable children.

...STEWARDED SCHOLARSHIPS

As many of Broward's children look to their future, college can seem a distant dream. But with assistance from Broward Education Foundation, it becomes a reality. Broward Education Foundation awards scholarships primarily based on need, as well as on merit and academic achievement. Thanks to generous donors, qualified seniors pursuing a university, college or vocational education are awarded scholarships through Broward Education Foundation ranging from \$500 to full four-year Florida Prepaid tuitions.

Deeper Caring. Smarter Healthcare.

Memorial Healthcare System is a South Florida and regional leader in the delivery of high-quality healthcare. We provide advanced-level care that is convenient and safe. Care that is personalized, placing you and your family at the center of everything we do.

If it matters to you, it matters to us.

That's why we're committed to healing the *body*,
mind and *spirit* of those we touch.
