# 112 academic scholarships to Florida Atlantic University

**2022 Publix/Kreul Scholarship recipient Aniya Samson (center) graduate of Nova High, receives his award with BCPS Board Members and Kreul Board Members Kenny Boynton and Robert Polan**

The Kreul's community involvement delves deeper than athletic participation. Perhaps the proudest facet of our organization is our academic scholarship program. Since inception in 1989, in cooperation with our partners in education, **Publix Super Markets, Florida Atlantic University** and the **Broward County Athletic Association**, we have awarded 112 four-year academic tuition scholarships to FAU and numerous monetary awards in varying amounts.

Along with support from these partners, our scholarship program

is funded through proceeds from Kreul events. Recipients are selected by the BCAA based on classroom performance, community involvement, and financial need, and then awarded during the Broward Schools Scholar-Athlete Banquets each spring.

"The BCAA is the only athletic conference in the State to offer a scholar-athlete awards ceremony of this magnitude and we are privileged

**< 2022 Publix/Kreul Scholarship recipient Rolf Sius (center right) graduate of Northeast High, receives his award with BCPS Board Members and Kreul Board Member Diane Sanzari**

to be a part of it," said founder and former Kreul President Jim Reilly.

Contact us to learn more about getting involved with this highly regarded program. Students who wish to apply for a scholarship should inquire with their school's Athletic Director for details.
